Dear Mr. Williams:

Please reference your letters associated with the Stan Stamper Municipal Airport. We have reviewed area A-2 relative to Section 404 of the Clean Water Act (CWA).

The provided information for the area indicates that a regulated waterway may be present within the projects boundary. A DA Section 404 may be required if any future project requires placement of dredge or fill material into this area.

We ask that you re-submit your request once more detailed site specific information, including construction plans, are completed, and concerning any planned impacts to possible jurisdictional areas which may be present on the described lands.

If you have any questions or if further assistance is desired, contact Mr. Bryan Noblitt at (918) 669-4904. Please refer to case number 2012-251, during any future correspondence.
